

Hello, healthcare provider!

Your patient has expressed interest in getting started on a **Dexcom G7** Continuous Glucose Monitoring (CGM) System.

Here's some useful information to help you prescribe.

We offer **two Dexcom G7 CGM Systems**.

Please prescribe the one that fits your patient's needs best.

dexcom G7

Age indication:

ages 2+ years

Sensor NDC code:

08627-0077-001

dexcom G7 15 DAY

Age indication:

adult ages 18+

Sensor NDC code:

08627-0079-01

Receiver NDC code for both systems: 08627-0078-001

This Dexcom compatible display device can be used as an alternative to, or alongside, a compatible smartphone.

PRESCRIBE TO THE PHARMACY

For most **Commercial**, **Medicare Advantage**, and **Medicaid** plans:
send the prescription directly to your patient's preferred pharmacy in three simple steps.

- 1 Enter Dexcom G7 into the EMR or prescribing software
- 2 Select prescriptions for the Dexcom G7 product
- 3 Submit to the patient's local pharmacy

PRESCRIBE TO A MEDICAL SUPPLIER

For **Medicare Patients**, and an alternative prescribing option for any insurance.

- 1 Send prescription with patient information to one of the distributors via fax or submit through ParachuteHealth.com
- 2 The distributor may contact you for additional information to fulfill the prescription

Distributor	Phone	Fax
Adapt Health/Solara Medical Supplies	(800) 423-0896 option 2	(800) 999-7021
Byram Healthcare	(800) 775-4372	(888) 457-1277
CCS Medical	(800) 949-6481	(866) 823-4482
Edgepark/Advanced Diabetes Supplies	(866) 400-5183	(866) 510-6583
Edwards Healthcare	(888) 344-3434	(502) 657-0237
Premier Kids Care	(888) 892-9001	(866) 810-4021

You can also prescribe to our partner, **ASPN Pharmacies** in your EMR. They will research your patient's coverage options and coordinate fulfillment at a pharmacy or DME.

What is Dexcom G7?

Dexcom G7 is a continuous glucose monitoring (CGM) system that tracks glucose levels 24/7 without fingersticks.[†]

It's a small wearable that sends your glucose readings to a phone or receiver in real time so you can make informed decisions.

See how Dexcom G7 can **fit into your plan**.

[†]Fingersticks required for diabetes treatment decisions if symptoms or expectations do not match readings.

THE MOST ACCURATE CGM SYSTEMS¹

For making confident decisions about food, activity, and medication that lead to proven results¹⁻⁶

EASY TO USE⁷

Designed to make managing diabetes easier and fit seamlessly into your life

THE MOST AFFORDABLE CGM AT THE PHARMACY^{4,1}

Dexcom G7 is accessible and affordable whether you're using insulin or not, and most covered patients pay \$20 or less per month^{4,1}
